

1 **REGULATED HYDROELECTRIC AND NUCLEAR RIDERS**

2

3 **1.0 PURPOSE**

4 This evidence presents OPG's requested payment riders for the regulated hydroelectric and
5 nuclear facilities.

6

7 **2.0 PAYMENT RIDERS**

8 OPG is seeking approval of a payment rider for the purposes of clearing approved
9 Hydroelectric deferral and variance account balances effective July 1, 2015. The final rider
10 will be set using audited 2014 account balances. Based on current projected balances, a
11 rider of \$3.78/MWh would result. The basis for the requested Hydroelectric payment rider is
12 presented in Ex. H1-2-1 Table 1.

14 OPG is seeking approval of a payment rider for the purposes of clearing approved Nuclear
15 deferral and variance account balances effective July 1, 2015. The final rider will be set using
16 audited 2014 account balances. Based on current projected balances, a rider of \$15.78/MWh
17 would result. The basis for the requested Nuclear payment rider is presented in Ex. H1-2-1
18 Table 2.
