

UNDERTAKING J3.12

Undertaking

To provide information on those initiatives that are going to generate some planned cost savings for the planning period that require CNSC approval and the dollars attached.

Response

The only initiative that requires CNSC approval is Days Base Maintenance (Ex. F2-T1-S1, Attachment 1, page 33). The OM&A savings associated with this initiative in the test period is \$5.2M (Ex. L-1-45).
